Professional Summary

Hybrid software engineer and growth specialist with over a decade of experience in full-stack development, digital marketing, and multimedia. I build websites, web apps, and lead systems for clients in the Philippines and abroad, including PYN LLC and MM Ermac Enterprises.

Technical Skills

- Frontend: HTML, CSS, JavaScript, Laravel, Flutter, and Webflow.
- Backend: Python, Django, PostgreSQL, Gunicorn, Nginx, and RESTful APIs.
- Growth and media: Meta Ads, Google Ads, GA4, n8n, GoHighLevel, Photoshop, Illustrator, Premiere Pro, and After Effects.

Professional Experience

Syntrix PH | Founder and Team Leader
2022 – Present

- Lead web apps, dashboards, CRM flows, and client delivery from scope through launch.
- Build operating systems for travel teams, including quotations, bookings, and day-to-day workflow.

LifeSmart PH | Marketing Head Officer
2025 – 2026

- Led growth work for LifeSmart PH, Fine Upgrades, and Knowtify Alarm.
- Set up the websites, Meta tracking, and a custom CRM for inquiries and follow-up.

Homesourced Inc. / PYN LLC | Graphic and Frontend Developer
2024 – 2025

- Built frontend pages, funnels, and campaign layouts for an international client.
- Produced the graphics and video used in the same marketing work.

MM Ermac Enterprises | Frontend Developer
Diamond Garments · 2022 – 2024

- Developed the Diamond Garments website and the frontend pages used by MM Ermac Enterprises.
- Built responsive product, inquiry, and brand pages for diamondgarmentsph.com.
- Took each screen from layout through the live site the customer uses.

LGU Don Carlos | Computer Operator
2018 – 2021

- Prepared documents, encoded records, and compiled reports for community programs.

Education

- **Bukidnon State University** | BS Computer Engineering
- **Liangan National High School**
- **Esperanza Elementary School**

Key Projects

Syntrix Flow | Travel operations

- Quotations, bookings, calendar, and documents in one web app. Python, Django, and PostgreSQL.

LIORA SDA | Mobile app

- Offline Bibles, Sabbath School lessons, and a hymnal in English and Cebuano. Flutter.
